May the peace that passes understanding be with you. I am so glad he is home. To wonder what happened to one of our military members.....And finally manymany years later to have the answers.....To have him home is such an answer to prayer! Thank God for his miracles. I rejoice that he is with you here.....The Good Lord is a kind Shepherd he has all the answers. So little we know.....We do know we are promised peace beyond anything the world can give. Howard and Elaine you are especially remembered at this time and muchmuch love sent to both. YOU are so precious to us!
