Marilyn, I just now saw someone's old post and learned of Jerry's passing. I don't have a lot of contact with people in Moulton anymore, and hardly get on Facebook. I am so sorry for your loss. Jerry was the most fantastic man!! The only one I could ever really listen to preach. He always made his sermon come to life!! He will be missed by so many!! I love your family and am sending prayers. I love you Jerry Weller.

There are many good memories of Jerry I loved hearing him sing specially with Becky, Jeff and Vanessa (MEET ME ON THE OTHER SIDE) He was a very good example of Christ everything he did or said you could feel the Lord. The other Memory that will stay with me is the pop room at camp I always knew when he took a pop and he joked about how well I kept track of it. But Jerry you can have all the pop you want now.

One of my favorite memories was singing in a quartet with Bro. Weller singing bass. Don Hunt Jr. sang tenor, Dianna Bovee sang soprano and I sang alto. I don't remember where the rally was but every night our quartet would sing one or two songs. One of the songs was I Remember the Time. Margaret Hunt played the piano. Bro. Hunt was the speaker. We would practice at MSE during the day and learn new songs. It was an honor to sing with one of my professors. I appreciate his faithfulness to our Lord and rejoice with him as he is in the presence of our Lord and Savior.

6 years ago, almost to the day, Jerry warmed my family's hearts at my mother's memorial, by expounding on many of the places where my mother and father ministered, and the people's lives they touched. Thank you Jerry. They impacted our lives more than I can express. Because of your passing, I can most definitely sing I've got more to go to heaven for than I had yesterday! Lalk family
