Josephine, Debbie, & Rita.. Our deepest sympathy goes out to all of you and your families during this time of grieving. I know what you are going through since my mother past away in Feb. If it wasn't for Jack being at the fureral home to remember the things he and I did when I would come over to visit it would have been alot harder time. We discused when we where wrestling and some how his toe got broke. And when Brent and I left all the frogs in the bucket for you guys to have frog legs and he came out to find them all in the front yard..I felt that he was one of the best people that I have ever met in my life I will always have a special place in my heart for Jack..Words just don't say enough of the things and hearts that Jack touch. He will be missed very much. Our thoughts and prayers are with all of you during this time. Posted by Glen & Lisa Wood April 22, 2009

Josephine and Family Our most sincere condolences to you and your family. Jack had the quickest smile a person could have, and could make you smile just being around him. He was one of those rare individuals who could take life's lemons and make lemonade (or maybe wine). Jack will be sorely missed by anyone who had the good fortune of knowing him. We're truly sorry. Dean Josephine, Debbie, and Rita I am so sorry for your loss. I think I am still in shock, as I am sure you are too. There are so many good memories of Uncle Jack, but I think his infectious laugh and his stories of his youth with my dad told in Grandmas front room will forever be with me. I will miss his BIG hugs and loving smile. My thoughts and prayers are with all of you and your families. Love, Todd and Tammy (Fox) Hingtgen Posted by Tammy Hingtgen April 22, 2009

Dear Josephine and Family, I'm so sorry for the sudden loss of your husband, Jack. I had the pleasure of talking with both of you at my uncle's funeral (Francis Vidmar) and enjoyed our conversation about our family history. When I received the call that Jack had passed away I just couldn't believe it. Please know you are in my thoughts and prayers. I feel so fortunate I had the chance to share some stories and memories with both of you. May God Bless you, Carolyn (Vidmar) Erickson Posted by Josephine and family April 22, 2009

Rita, We are thinking about you and your family. I am so glad I was able to get acquainted with your Dad even though it was in the emergency room after Alex had his bell rung in football! What a great man who had all his priorities straight. I could tell he really enjoyed working at the funeral home. We should all be so lucky to have had such a great Dad. We know it is going to be tough for you and we are here to support you through this tough time. Posted by Laura McCaskill April 21, 2009
