Tammy, I am so sorry for your loss. Even though I did not know your mother, she must have been a kind and caring person by knowing the daughter she raised. Know that your mother will be watching out for you and her grandchild from heaven. My sincere condolences. Sharon

Tammy, I'm so sorry for your loss. I've known your mom since she lived in Osceola and got to know her better after she moved to Winterset.. It always amused me that since I babysat for you one time when you were little, she called me your baby sitter. I only had time visit your mom occasionally after she quit working, but she kept in touch with me regularly by phone. And she always kept me up-to-date on your activities. She was so happy for you when you developed a longterm relationship with Ray and was excited about being a grandmother. Betty

So sorry for your loss Tammy....Linda was a wonderful person with a heart of gold. She was so thoughtful and caring. Linda was always trying to take me out for lunch or wanting to give my husband and I a vacation. I loved talking with her, she had a great sense of humor. She loved all people. Linda will be missed, greatly.
