I've known Jimmy as a friend and family member since I was a young 8 years old. He was funny and helpful, and always had a good ear to listen to a kid talk. I remember him laughing, singing and telling fishing stories. Once, we laughed for about 15 minutes straight, before we even knew what we were laughing about. That was Jimmy... that's how I will always remember him. He will be missed. Dodadagohvi Oginalii... Walk On...
