Betty worked in the FmHA office in Centerville for a while. We called her Betty Boop. Kenny Willy thought we were saying Betty Boob so that is what he called her. Betty just laughed about it. Any time I saw Betty she was smiling. She will be missed by many. Blessings to Charlie, Chris and family.

I have many memories of Betty dating back to before she married Charlie and family gatherings at the farm. She will be missed by many including my mom, Lucille Hildenbrand who was childhood friends. She would have wanted to make the trip from Omaha, but at 88, she just can't make the trip. Give everyone our family's best regards and condolences. Mike Morrow and family.

We're truly sorry! I got to know Betty thru Wayne County Mutual. She always answered Wayne county Mutual, Betty speaking! So I called her Betty Speaking! We always found something to laugh about, she had a great sense of humor. Our condolences to you from Jerry and Judy Power and Julie Cossolotto. I know she will be greatly missed.
