Aunt Betty & Family- We send our love and extend our condolences to you and all the family. Uncle Paul always had a sense of humor that could bring laughter from the depths of our being. Maybe he learned it from you Aunt Betty or maybe over the years you combined both of your humor together, but there were many laughs and great enjoyment in visiting with the both of you. May God comfort your hearts in this time of grief and sorrow. As time passes by, think of all the great times that you and Uncle Paul made into an adventure for both of you! We love you! It saddens my heart to see that my uncle Paul or as I used to say(aunt Paul with uncle Betty) passed away yesterday. I will always fondly remember those great big bear hugs of yours, you tipping your hat to me, saying to me 'you are the purdiest girl i ever did see, besides your aunt Betty. Telling me to never let someone get in the way of my dreams and to always follow my heart.' I will miss those moments. I am sorry you never got to meet my daughter, I know you would of just loved her. I love you so much and can't wait until we meet againdisappointed_relievedcold_sweatcry

Our condolences & sympathy to Aunt Betty & everyone. We were saddened to hear of Uncle Paul's passing - he was a wonderful person! We always enjoyed listening to his stories (no matter how many times we heard some of them). We loved hearing our daughter Sierra, when she was younger, refer to Paul & Betty as 'Uncle Betty & Aunt Paul' whenever we would all visit. He will be greatly missed. Ben & Patti Green and Family
