Mom I miss you. Everyday something reminds me of you. I didn't realize how much you meant yo me until you were gone. I miss you singing to me every night, I miss your stories about you growing up, I miss your sayings and your laugh. I love and miss you so much. I miss coming to your house and staying with you and watching your country music shows on saturday nights. Some day we will be together again and you can sing to me again. I know you are with me in spirit, I feel you all the time. I love you mom.
