Lillian, I know we never really got along but you put up with me and no matter what anyone says you were a great person. People have their downfalls but you always sucked it up and moved on. I know Matt loves you and so do I and we're gonna miss you a lot. You're like family to me and I love you. R. I. P. Posted by Jordan - Trenton, MO - Family February 03, 2016
