Our dog is scared of the rubber toys that have a squeaker. In this picture she jumped behind Jake cause Jeff had one and kept making it squeak. She misses him so much. Been very subdued this past week.

I'm so sorry to hear of Jake's passing. He was a good guy and was so talented. I wish there were words that I could say to ease the pain his family is in but there are none. Just know he is in the arms of the Lord and will be watching over all that knew him.
