Charlotte and Roger, I am saddened to hear of the passing of your father. May God's loving grace sustain each of you in this time of need. Roger, our paths crossed many times during our association with Neal Morris. Charlotte, having lost my own father many years ago, I understand what it is to lose a father. Mine passed in 1982, but the thoughts of him only get sweeter and gentler by the year. May it also be so with your father. God bless each of you.
