There is an old dirt road east of Millerton. It's a beautiful road (robin lane) left to most of us who love the country but it would never have been discovered by me if it weren't for Joan. Those Marangues on her pies were soooooo tall, I couldn't take one w me because of the RR over pass. So I took the dirt road back to Corydon!! Thank you Joan for making it possible to discover more of Wayne Countys beauty.
