I've been thinking the last couple of days, how you made my life so much better. That great smile, always letting me know there is something better than this. You had big dreams. Traveled all over. Think we lost touch somewhere thru California. Lol you would love my new bike, but as for this last road trip you went down, it breaks my heart. But yet all roads do come home. Safe travels tell everyone I miss them & we will meet up again some day. Love you Blake Posted by Yulanda - Centerville, IA - Cousin January 26, 2013

Blake was a lot like Huckleberry Finn, it was easy to like him and he was a good ole country boy. I joked with him about rodeo stuff, and he liked to laugh. It's the cowboy way he would tell me when I asked how he got his humor and ability to entertain with his stories. He had a wide variety of jobs and the common thread was working with people and his enjoyment of people. Posted by jimbob - Gotebo, OK - friend December 13, 2013
