I've known Mary Jane since I was a youngster. I went to school with her two sons, Randy and Andy, graduating high school with Andy. I remember spending time on the farm (where Randy and Beth live now) when we were young kids and driving the homemade dune buggy (that Junior had built) around the pastures and timber. I remember how nice Mary Jane and Junior were and even though I hadn't seen either one for several years before their passing, they had an impact on me by the type of people that they were. I want you all to know that you are in my thoughts and prayers at this difficult time. God Bless, Rick Singley
