We have the best memories of Hawkie Poo! There were always a lot of laughs when he hung out at the flower shop and he was always ready to go on delivery runs! He was a friend of our dad and always asked about Billie P. Our family loved him!

One of my uncle Glenn's biggest fans was my mom, Palmyra Hawk, his sister. She adored him, and looked up to him all her life. I am sure they are having a very warm get together. If she had not already beat him to eternity, she would be heartbroken right now. Who says timing is everything When was the all American brother to my mom, not to mention our saving grace on more than one occasion. But as a police officer, the most entertaining thing I saw him do just to remind my grandma to use modesty in town, When pulling weeds. Think about it. Thank you Glenn for being the patriarch of this Hawk chapter.
