Terry I'm so sorry about your mom. I know how you must be feeling. Just know that she had a good life no matter her illnesses. Dixie you will be greatly missed. We had grown to be so close over the last 4 12 years. I will miss your humor,, spunk, and our occasional spats. We knew each other well enough we could apologize and move on. You truly are a great person I love you and you can now be at peace. Say hi to my dad when you get there. You and I had a lot of plans we didn't get to see through, but maybe I can do those knowing you are with me in spirit.
