While my mother and I never really got to know Gladys as well as we would have liked, we knew her from Bingo at the Lions club in Unionville and she was a very cheerful and wonderful lady who brightened up the room and we really looked forward to seeing her each week. Bingo just won't be the same without her there, but we are happy she lived a good long life and no longer has to deal with earthly troubles and health issues. Our condolences to her family and loved ones. We'll miss you Gladys!
