Well grandpa you were a tough old bird. It was sometimes hard for people to understand your sense of humor but us kids that grew up with u knew a simple saying as 'Your good in your place, they just aint dug it yet' or (you know those guys are a little funny) or (if u turned her inside out she'd. look like a porcupine) or (don't let them damn crumb grinding grandkids mess with my stuff) was love and simple terms of endearment! And if you were blessed enough to have him waste his time talking crap it was cause he loved you thanks grandpa for always keeping us on our toes
