My thoughts and prayers are with Lola's extended family and friends. We will each have our own special memories of her and how she touched our lives. She welcomed me into her life in 1978 when I first came to Fallbrook with Regan. They were there at our wedding and celebrated in the births of their two granddaughters, Shannon and Katie. Although separated by miles, she remained in our hearts

Lola was grandma to my son. He loves her very much and is going to miss her. We already moved so far away, I think that makes him hurt even more. He will always remember grandma Lola and how she always had an open door for him and his friend Billy. Her dog Lucky was lucky to know Mat and Billy who would take him for a run basically everyday! Lola we love you and we miss you.
