We were extremely heartbroken to hear of the passing of Everett and know that he will be missed by the community he so loved. I will miss seeing him at the golf course and talking with him but will always remember how he loved going out there. He had a way of making everyone he met feel important and he always remembered who you were back when we were kids. Our thoughts and prayers are with the family at this time.

To Susan and the Wehrle Families. Please accept my condolences. The Wehrle name has lost a great Patriach. I always enjoyed sitting around the Sunday table and listening to my grandpa, Robert E. Wehrle, tell tales and stories of the days on the farm out in Rome. Swimming the Skunk River, eating watermellons, and being boys amongst youth seemed to be a great adventure. Our thoughts and Prayers are with you. Mark E. Wehrle and Family
