I have known Wayne for over 20 years through horse camping and riding motorcycles....both he loved as well. I remember on these adventures his wonderful smile and giggle laugh all the time. Quite a jokester too (in such a sweet way!) I will miss him greatly but I have so many memories to keep that he will always seem to be a part of my life. I have the great privilege of knowing Louise, the lady of his life now. She is just as special to me and I will keep having those memorable adventures with her down the road. I love you both and always will. Mary Higbee

I remember going to see Wayne and Donna's horses (and them!) when I was little. Years later my parents and I (Norm and Betty Yeager) sold big Ed to them, and we got to ride with them many times. Wayne's laugh was so contagious and goofy, and he always had one ready. He was especially good at laughing at himself. He'll be sorely missed by everyone who knew him.
