Sherry and family, so sorry to hear of Brian's passing. While I hadn't seen Brian for several years, I still considered him a friend. May the good times you shared with him give you solace in this most difficult time. God Bless.

My sincere sympathy goes out to Brians family and friends. When I heard of Brains passing, I was shocked. I had not seen Brain in many years but it seems like yesterday that we were riding horses together as neighbors. Brain lived right across the road from me. When we were kids we would cross the field to go to each others house and then jump on the horses and go for a ride. We spent countless hours talking. Those memories will always be cherished.

I have known Brian since 1981. He was always a kind friend to me. He touched so many peoples lives in so many different ways. He always made me smile and laugh. If you needed him to do anything, if it was within his power he would be there to help. He did so much for so many people and the funny thing, it was a lot of the people he did not even know. That is just the kind of person he was. Here in Des Moines when ever he was out and about he would always take time to stop and talk with me when we weren't doing work with each other. He will be greatly missed and I truly am sad that I will not be able have our long chats. To his family and friends I grieve with you and for you. My heart knows your sadness and my thoughts are with you.

You all were more of a family to me then mine own was at times and I will forever be indebted to you for that. I will see what I can do to join you for Brian's visitation Monday, but if I can't please know I am with you in thought. Regards, Darin, Kerri & boys
