## **Colette Evans**

OCT 2, 1956 - NOV 9, 2014

**C**olette Evans, 58, of Centerville passed away, Sunday, November 9, 2014 at her home.

Colette was born to Millard & Imogene (Starr) Doman on October 2, 1956 in Unionville, Missouri. She received her education from Unionville High School, graduating in 1974. Colette attended college at NE Missouri State University.

On August 22, 1981, Colette was united in marriage to Rock Evans in Unionville, Missouri. They have one son, Mitchell Evans.

Colette and Rock raised their family on the farm, just west of Centerville. Soon after college, Colette took a job working for Hall Engineering from 1978 until 1989. She was then employed by Farmers Home Administration until 1997. Since then, she has worked in the office at Centerville High School as the registrar/secretary.

Colette was a family oriented person. She loved time spent with her family, especially her granddaughter, Savannah. She always looked forward to family get togethers, where she could sit around and catch up with folks for hours at a time.

Colette was a very patient person, always willing to lend a helping hand. She enjoyed reading books and listening to music. Colette was a wiz at music trivia and could name rock & roll songs within seconds of hearing them. She also enjoyed playing in Women's Pool League.

Colette was a regular at Centerville High School activities. Whether it was a sporting event, play or concert, she enjoyed watching them all. She served as Board Secretary for the Powersville Cemetery in Powersville, Missouri.

To Colette's Family, We are very sad for your loss. I am glad I had the opportunity to know such a fine person. She went the extra mile at work to help everyone. Her job was not an easy one-reminding teachers like me to get something done- but she would find the time to get copies from a text, send a fax, or show you how to use the printer. She would say hello when you were down and made you feel good. She was proud of her family and when I asked about Mitch she went through all his achievements. When one of our science teachers left she came with her husband to join us. She truly liked CHS, the staff and students. Sincerely, Richard H. Keilig Jr and Family

To Rock, Mitch, and Family, My condolences to each and every one of you for this tremendous loss. Colette was a great person and a close friend. A favorite memory I have with Colette is that we were at my home in the country (4.5 miles from Unionville) and we decided to ride our bicycles into Unionville to her house. So we headed out with our bikes and a canteen of water... I didn't think we would ever get to town...but we did with a LOT of breaks. I will always cherish this memory as well as all of the times we spent together. She was a joy to be around and she will be missed by all who knew her. Kathy (Guffey) Kurriger

I remember when she moved to Unionville, we rode our bike's to the park frequently. Their was an old lady there who we called the park lady. She held the key to the closet which had the game's and ball's in it. Sometimes the ornery boys would come to the park and get us all in trouble so she would lock up the game's and send us home. I spent many hours at her home sitting at the kitchen table talking about boys and making plans for our next adventure. There were three of us that hung out a lot together. Barb was the third one and we would go from one house to the next house laughing, talking riding bikes, doing cheers like the cheerleaders and playing game's. Wonderful childhood memories.

My sincere sympathy to the family of Colette. She was a jewel. She always friendly and welcoming. Always smiling. We spent a lot of time playing together as young girls when we both attended West Putnam. I was crazy about horses and determined to get all my little friends to ride with me. She really enjoyed riding our horse old 'Patches'. We rode bikes together too and enjoyed listening to those 60's songs back then. We were both the youngest in our families. She had two older brothers and so did I. We both lived on a farm located on an old gravel road outside of our home towns. We had many things in common. I know she is in a better place but I can't help but wish she was still here with all of us. I'll never forget you, Sweet Friend, or the memories we share.
