I never felt anything but love from you, always felt welcome, accepted and part of the family. From before your 40th Birthday party in Germany until the day you passed. Knowing you was a treat. I always enjoyed visiting you in Germany and your visits in the summers when you and Kim would come through San Antonio. You were a joy to know and a person everyone should strive to be like. The earth has lost an awesome person, Heaven has an awesome new Angel. I am so sorry for Kim, Paula and all your friends and family. Until we meet again on the other side. Rest in Peace my friend, you will be missed.

Lynn was such a sweetheart. She and Kim were so caring and helpful when we lived in Centerville. My Mom, in her 90's had to make trips to Mayo Clinic in Minnesota. We had Chester, our beloved cat, to leave at home. There was no worry, because Kim and Lynn checked in on him, often trying to find him where he was hiding. Mom, now gone, was there to greet Lynn I am sure. Even after we moved to Wisconsin, we often talked about Kim and Lynn and enjoyed their Christmas Letter. We are so sorry to learn of her sudden passing from this horrible pandemic. Our love to Kim and all of Lynn's family. She will be forever remembered.
