Kenneth 'Kenny' E. Brown

OCT 16, 1936 - APR 18, 2020

Kenneth "Kenny" Elmer Brown, age 83, of Moravia, passed away Saturday, April 18, 2020 at Golden Age Care Center in Centerville.

Kenny was born on October 16, 1936, the son of Harry Glen Brown and Beryl Lucille (Dicks) Brown. He graduated from Moravia High School with the Class of 1955. He was united in marriage to Wanda Mae Benz on June 16, 1957 at the Grace United Methodist Church in Moravia.

Following high school graduation, Kenny moved to Cedar Rapids and worked at Iowa Manufacturing Company as a welder for 3 years. He then moved to Ottumwa, and worked for Coca-Cola in Delivery, for a brief period of time. In 1963, the couple purchased the family farm in Moravia. Agriculture has been a way of life for Kenny ever since. The couple bought their first livestock trailer in 1979 to transport horses to horse shows, and later to rodeos.

In 2010, the Appanoose County Fair was dedicated to him. This began in the early 1980s with local friends and neighbors asking Kenny to haul their livestock to the market, which grew into a year-round business. During this time, he was also asked to haul the livestock for the Appanoose County 4-H Livestock Sale. He hauled livestock for many years. He especially loved helping the youth with their 4-H projects, and being a judge for the 4-H horse show and surrounding county fairs.

During this time, Kenny still managed to find time to volunteer, serving two terms on the Moravia School Board and several years on the Appanoose Soil Conservation Board. In 1963, the Browns were awarded the Des Moines Register Iowa Conservation Achievement award, and was selected by the Farmers Home Administration as Farm Family of the Year in 1969.

Kenny was an active member of the Grace United Methodist Church in Moravia, serving in various committees. He was extremely fond of horses, and belonged to the Saddle Club. He was also a member of the Tractor Club later in life.

Wanda, I am so sorry to learn of the passing of Kenny. Please know that you are in my thoughts and prayers for you and your family. I don't know how many of the cousins are still living but as far as I know Carolyn must be but we no longer are able to keep in touch. We use to talk at least once a month. I have a lot of memories of Kenny when we all went to Grandma Dicks for family dinners. Love to all your family.

Our condolences to Wanda and Family, we are truly sorry! I saw they purchased a horse trailer in 1979! I first met them in 1979 when they purchased a Red on Red Chevrolet Dooley from Sam Sweeden Motors where I was employed. I'm sure that Dooley pulled that trailer. Kenny was one of those rare people who had a great personality and I'm sure he never met a stranger because he knew most everybody. My thinking has always been that you can tell what the parents are like by looking at their children. I know three of the four and Kenny and Wanda did very well. I'm sure the daughter is equally the same. Moravia lost a great man! Rest in Peace Kenny!
