Words cannot begin to express my feelings at the loss of Aunt Phyllis. She has always been such a big part of my life especially when I was growing up because I stayed with Grandpa and Grandma Micetich quite a bit and she was always there helping them. She lovingly took care of so many people during her lifetime. She set such a good example for all of us through her love of family and friends and by way of her giving her time and care to others during their difficulties. She always welcomed me and my family with open arms when we came to visit and she made the best chicken and polenta.) I envision her free of pain and sorrow and gloriously happy in heaven with her boys, Richard, Grandma and Grandpa and all of those who have gone before her. I will miss her always.

Aunt Phyllis' homemade pizza. After all these years I can still remember it. She had a sweet spirit and kind heart. God truly blessed the Tracy boys with a wonderful mom. You will be greatly missed.
