I just wanted to tell you how sorry my wife and I were to learn of Kevins accident and passing. We really enjoyed getting to meet him when he came and bought our motorcycle. I knew he was a rider when he told me he was riding the bike the ten hours back home even though the weather had been threatening to storm. What a great personality he had. I know he will be sorely missed by his family and friends. You will be in our prayers through these difficult days. We wish you all the best. Russell and Vicki Ford
