Carrie Stroud when i was pregnant with my daughter alexis i had what we called sun down syndrom. when the sun went down i didnt want to be touched or talked to or even looked at. well kenneth would always miss with my ears no matter what my mood was. so as my pregnancy went on and he missed with my ears i nicknamed him uncle jerk. this named stayed with him. my daughter is now 10 years old. but no matter what we called him he loved us all like his own and we loved him. love you always uncle jerk carrie (suzy) Posted by carrie (suzy) - centerville, IA - family friend April 05, 2012
