Douglas Alan McIntosh

JAN 24, 1963 - DEC 15, 2015

Douglas (Doug) Alan McIntosh, of Corydon, passed away Tuesday, December 15, 2015 at the age of 52. Doug was born in Princeton, Missouri to Wayne and Colleen (Lavelly) McIntosh on January 24, 1963.

He went to school in Lineville and graduated from Lineville High School with the Class of 1981. Doug grew up loving to fish and hunt. As he got older, he enjoyed spending time with his family and friends and he never knew a stranger. Helping his dad build furniture and doing woodworking was also something he enjoyed, along with playing with his dogs.

But his passion was talking about the Lord, he wanted to make sure that all his family members and friends knew Jesus and were saved. He and Carla hosted a weekly bible study in their home and they attended Sunday church services at Harvest Time Baptist Church in Allerton. Doug always had a smile on his face.

Survivors include his wife, Carla (Hartman) McIntosh, of Corydon, his daughters, Dawn McIntosh of Arkansas and Amber Bennett (Daniel) of Corydon, brother, Howard (Bud) McIntosh (Terri) of Corydon, parents, Wayne and Colleen McIntosh of Corydon, five grandchildren and many other family members and friends.

He was preceded in death by his infant son Cody Alan McIntosh. Funeral Services will be held Saturday, December 19, 2015 at 2:00 p.m. at Thomas-Randolph Funeral Home in Corydon. Visitation will be held one hour prior to service at 1:00 p.m. Memorials may be given to the family and condolences may be shared at www.thomasrandolphfh.com.

To Doug's family, We have never met, but Doug was a dear friend to us. We worked with him at Terre Haute and enjoyed many laughs and lots of stories, especially about fishing and people who fish. We share your sorrow with his passing but we will cherish the memories we made with Doug and want you to know how good of man we think he was. Sincerely, Heather Varner and Bob Whitacre

There are too many memories! Doug and Bud were always my brothers rather than cousins. I remember them riding, bouncing, on the bumper of the VW Bug while Daddy drove cross country to the next pond. I remember us drinking cold Pepsi's in glass bottles and eating plain sandwiches as a picnic while fishing. I remember Doug, Daddy and Bud catching stringers of fish, not to mention the incredible fish fries. There was the favorite pond with the Belgun horse that had the popping fish frenzy. All 4 of us sat in awe. There were the Times when Doug and Bud both wet back to the car and ran into the electric fence. I remember the numerous times Doug fell in the pond going for lures. I remember Doug and a buddy skinny dipping at Schelberg's pond I believe, then having some girls come by the pond. I will never forget Doug slamming my hand in the door of the VW Bug and feeling so upset that I was hurt. I did forgive him. Then there was the time that Daddy showed me a water maccacin and I ran to the station wagon and locked the doors so Doug and Bud could not get in the car. This was just after Daddy told me that the boys had just been catching the snakes. I just could not trust them to not bring me a "pet". I remember the gigantic turtle that Doug and Bud "caught" for turtle soup. The turtle won. My earliest memory of Doug is when he walked me down by some railroad track and asking me if he was my favorite cousin. Of course I said "you Dougie!" While giving him a huge hug. Doug was an influential person in my life. He taught me how to have fun and to be adventuresome. I will love him forever!
