Robyn was my dearest and best friend ever, Her and I fought like sisters but I loved her so much. Robyn and I spent A lot of time together, Robyn had the biggest heart of anyone I know. No matter what time of day or night it was she was always there, I must say her kids are very lucky to have her as a mother, and her sisters had one to the best people in the world as a sister!! Robyn, I miss you so much, I would give anything in this world to see you just one more time.. I love you!!! Posted by Sarah Casper September 12, 2010
