Dear Richmond Family, Words my never truly express what Joyce meant to me and my family. Both her and Larry were our third set of Grandparents. My brother Seth and I grew up down the road from Joyce & Larry. They were our babysitter, wound repairer, favorite meal fixer and most of all they loved and cared for us just like they did their own family. I have so many fond memories that would take a lifetime to tell. She was and forever will be a very special person in my heart. Posted by Jessica (Pace) Whitney September 13, 2010

Dear Larry, Ron and family members, I am sad to see that Joyce has passed. Although I did not know her well, Bridgette has talked about her to me and I know Bridgette visited often in the hospital. Our sympathy to you all during this time. Reggie and Dianne Fuller Posted by Dianne Fuller September 14, 2010
