Stanley was a kind and pleasant man. I worked at the Hospital when he was there. Im sure that some of my expectations were not appropriate for the fix that was needed but he never argued, just kept working. My condolences to his family.

I worked with Stanley all the years he was at St. Joseph Mercy hospital and he was always a complete gentleman and willing to do whatever was necessary. Stan was the one person who could get our ancient steam autoclave working when it was having a 'fit'. I missed his soft smile and quiet humor when he retired. Rest in peace Stanley. Condolences to the family.
