Bob was a good friend, one of the happiest go lucky guys I ever knew. His laugh was spontaneous and contagious. We went to RN school together at Mercy Hospital and Drake University in Des Moines. In 1974. We studied hard, worked our butts off, and had a good time, He decided to go another direction after a couple of years but he would have been excellent in health. Condolences to family and other friends. Good guy, gone too soon. God bless
