I am so very sorry for your loss. Losing a loved one in death is such a difficult thing to experience. Please be comforted by the promises in the Bible. Jesus tells us at John 528, 29 that all those in the memorial tombs will hear his voice and come out. What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day. Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time. For more information please visit jw.org.

Daryle was one of a kind. Always loved running into him, though it's been a while since I last had the chance. Big smiles and laughter were his calling card, he always put a smile on my face. I know he will be truly missed by many.

I can't believe this, just lost one of the sweetest gals I ever knew and now Daryle is gone too. I'm so sorry. I remember the first time I ever seen Daryle, he was asleep in the floor, Lorrie told me to kick him in the butt and go wake him up. He jumped but it scared me to death, Lorrie for the biggest kick out of that. I am so sorry for your loss. They were 2 mighty special people. If you need anything let us know
