Sure will miss this man. He was there for me as a father figure when I was a young girl. He helped me practice softball, he went to some of my daddy daughter dates with me, he would take me camping and have to help me climb up into the top bunk of the camper at bedtime, he would take me on their family vacations and he would play and rough house with us in the middle of the dining room floor. Oh the memories. He was a great man that I will never forget. Time to spread your wings, fly high and breathe freely now. You have been waiting 7 long yrs to be back with your sweetheart. My deepest sympathy goes out to Crystal, Amber, Don, Bruce and families.
