I am very sorry to hear that Aldo is gone. It is too bad that we didn't get to see each other very much during our lives but we are still family and I do hurt with you. This may seem a bit impersonal but I don't have an address or telephone number for any of you and I did want to tell you I am thinking of you. Mary and Joe have been in contact for years and I am sure he will hear from her soon. Again, I'm sorry and send my love to your family. Natalie Posted by Natalie A. Essary November 29, 2010
