I just heard of Burt's passing a few days ago and I want to send all of his family members my sympathy in your loss. I knew Burt in Oxnard, Ca., from the gym where many of us trained, and we were all like 'family'....Gina, I never met you but I knew how much Burt loved and adored you. Burt always had a smile and a good word to share with all. He truly was one of the good guys and will always be remembered with love. Sharon Niemi

G4uTR Hi my name is Cyndi Honeywell Jeffries I knew Dave or I think David as he was know here in Bonner at school. I went with Jerry Seaton in school who was a wrestler so I was involved in the tournaments I know it said class of '78 my class but he was a yr ahead so it might have had with getting his credits during the summer I don't care. David was a great wrestler that's when we had most of the team go to and place at state wrestling and he was built like a wrestler. I was telling my class mate Cheri DeMaranvile and she couldn't remember I said you know he had thick black hair and had that upper body strength and I had him in a few classes I was shy and lots of upper classmen picked on me with fun. He was kinda quiet but hung around up I don't know if his family would like to have some of his pics I have from school I kept a scrap book of classes above mine I don't know if he talked to you about it but there was Tim and Ronnie Studi Levi Meddleton and Bob Loggins he was on the mat with the best. Mr Burns who passed last year was known as one of the best wrestling Coachs and that was an Awesome time and watching David on the mat. I haven't seen him after he graduated and didn't know where he went and if he kept up with Bonner wrestling Jerry my Ex I had a son and daughter by and he remarried and had 10 yes 10 more kids all red head 6 boys all wrestle and my son I'm glad he didn't get into it. The starving ugh it was awful to watch and I didn't want my son to do it he tried a few matchs and gave it up. I have an older brother Bruce and yonger Doug if his Siblings might know. I saw he went into the Navy but I don't know what else he did or what happened it doesn't matter I very sorry for your loss and it will be a long road take it day by day. To the family of Dave Burton Although I know I have walked past Dave at work, I did not know him. Friday afternoon when I walked down in the Machine Shop and as I talked to his leadman, area manager and co-workers, I found out what a nice guy he was. His co-workers shared with me how loved his family, how he loved working on his house, how much he appreciated his job. My husband and I want you to know that we are praying for you. We want to share the words of a couple of songs with you that have become so meaningful to us. Lord I Look To You So suddenly it happened without warning, An Unexpected tragedy today. And even though the fears in me are raging Im holding on to Jesus as I pray. It wouldnt take much today for me to crumble. I have so many pressures on my mind. And Lord I need your help or I will stumble. So Please strengthen me again. Just one more time. Lord I look to you to see me through the night. Lord I look to you, everything will be all right. And with all my heart & soul, Im asking you to take control. And Lord I look to You. (sung by Lowell Lunstrom) God On The Mountain Life is easy when youre up on the mountain And youve got peace of mind like youve never known But then things change and youre down in the valley Dont loose faith for youre never alone. You talk of faith when youre up on the mountain Oh but talk comes so easy when lifes at its best But its down in the valley of trial and temptations Thats when faith is really put to the test. For the God on the mountain is still God in the valley When things go wrong, Hell make them right And the God of the good times is still God in the bad times. The God of the day, is still God of the night. (sung by the McKameys)
