I am so proud to be your granddaughter and how you taught us to be proud and never put up with anybody's shit. I adore how strong and what a great outdoorsman you were. I will always have close to my heart the last talk we shared at grandma Roxeene;s. You were and are the toughest man I know.

John was so many things to me and my 3 boys. To this day they continue to tell stories of their fishing adventures with Grandpa John. Nothing stopped him from getting to a good fishing hole! He will forever be in our hearts. My sincere condolences to Chris and Clifford and the rest of the family. I can still hear his laughter! Hugs to all.
