Thinking about you all at this sad time. I know Tim hasn't been feeling good for some time. He told me what was going on with him on our telephone conversations. But I sure didn't expect this! He sure loved you all and was so proud of you! He talked about you a lot. Sorry I can't be there for his funeral.

Tim will be very missed. He and I had many conversations about his faith and love for his family. I will most remember visiting Tim at the care center where we would find a quiet place and I would find a video of the song Amazing Grace, My Chains are Gone on my cellphone. We would sing that song together at the top of our lungs. I'm not sure what the people at the care center thought but we were filled with the Holy Spirit as we shared the music. Tim had a powerful faith, knew the great love of God, and wanted others to know, as well. Tim, may you be filled with God's love and peace.
