Dear family,I had tried for many years to contact Betty we used to call her Kitty when she was in ne. She played the accordion and sang country songs .I believe that the family only lived here one summer, but we became good friends, but lost contact with her after she married. I do have some pictures she sent me and if any of the famiy would like to have them please e-mail me an address and will send them to you. Her birthday and mine was only 2 days apart.
