Out of respect for my birth mother, I have not always called Jean Mom. I vividly remember the first time I did though, Lana and Anthony had stopped by and were going to run to the store; Jean needed something and told me to run and catch them before they got away. I ran out the door and shouted Mom needs something else, I didn't realize I had called her Mom. once that initial barrier was broken it was Mom from then on. All my love to the mother of my heart!
