William "'Bill"' Booth, age 72 of Centerville, Iowa passed away Tuesday, July 26, 2011 at Mercy Medical Center in Des Moines, Iowa.

I have so many wonderful memories of all the times I spent with Bill. All those nights spent playing music with Bill, Johnny, Richard and Don were some of the most fun times I had as a kid growing up in Mystic. Bill was a good singer and turned me on to a lot of great music. I am saddened by his passing but grateful to have known him and lucky to have been his friend. Rest in Peace, old friend. My thoughts and best wishes to Jennie, Lisa, and Tracy and know that I share the feelings of the passing of Bill. Not sure if you remember me, Jeff and I were best friends and i shared many times with the Booth family on 15th street. I remember that Bill was a hard working man, and on many occasions, he never hesitated keeping Jeff and I on the straight and narrow. Bill taught me many things on right and wrong, and I will never forget him, or my best friend Jeff. Would love to hear from any of the family members. I just found out about Bills' death. I worked with Bill for many years at John Deere. We really had a great time. One of our favorite past times was movie trivia. It helped to pass the time. He was a hard worker and always made quality parts. We all missed him when he retired. I am very sorry to hear of his passing. Posted by Steve Babb - Ottumwa, IA - co-worker February 02, 2012
