We new Bill a lot of years and he always made us laugh. He was a very loving and giving person. He always used to tease me about coming to Alaska. He'd say nice and warm up here. We were really glad when they finally came back home . Sis I'm so sorry he had to go but at least he's home. Will miss him dearly and love you both always. Remember the love never leaves! Wanda & family, I had known Bill since I was around 15 & he was 19. He knew what the meaning of a friend was. He was there thru good & bad times. He was always there when I needed his friendship & he was always understanding. He once said on facebook that I was one of his best friends & he was one of mine. I'll miss his laugh (even though I will never forget it). I will truly miss my friend. Diane Posted by Diane Partin - friend March 24, 2014
