I have wondered about Dwight, and just looked him up on here. I was a girlfriend of his back in 1986-87 when he was playing in the Maxx Band. A very good band, he played with Mike Profitt, Mike Tyler, and Craig Fry. They were a professional band, very amazing, Mike Profitt is also not with us. Makes me cry. A lot of memories, a lot of good memories, I will carry the rest of my life. I'm hurt to learn of passing just now, very upset. Rest my good friend, I think of you often, they were the best days of my life. My heart is broke. Terry Lee Firth 5-15-24

Doug, So sorry to read about Dwight's passing. Haven't seen him in years. Always enjoyed his singing and playing when he would play with Buddy and the band. Thoughts and prayers are with you and your family.
