I had the privilege of working with Mildred at the old hospital when I was a ward clerk and she was a CNA. She always did her work with such care and a great smile. She inspired me to become a CNA later. I also had the privilege and good fortune to be a neighbor for several years when I lived at the corner of Franklin and Park. We would have the best chats reminiscing about the old days at the hospital. She was one of a kind and will be truly missed. My deepest condolences to her entire family. You are in my prayers.
