To Mrs. Pohls Family, In 1969 I attended school in Guadalupe California. Mrs Pohl was my kindergarten teacher and I loved her. She was so kind and gentle. She made me love learning and I eventually became a teacher too. I have never forgotten her and wish that I had been able to find her sooner. I still have a postcard she sent me from Corydon and that's how I know this is my beautiful teacher that made me feel special.
