Dear Sandy, Steve, Marvin & all of your families, Your Mother was so blessed in having the care she received from you Sandy, Thank you for taking so good care of her in her declining years after My Uncle Jim her husband passed. Good memories are always the best medicine & one of the last times she had taken to visit with my mother was on a Memorial day weekend when my brother & wife, Bob & Martha & I were having to deal with clearing out my mothers home. I have a treasured photo of Aunt Della & my mother together that will for ever be in my heart, your parents were there for my parents in their declining years & now they are all together probably hamming it up especially all of those Oge boys! While I can just imagine that Aunt Della & mom were sitting back shaking their heads at their antics! Know your Mother, Grandmother is now at rest & probably wrapped in the love of her family that has gone before her. Know God is & will hold you in his strong tender hands while you are in the healing process. There are countless good memories to gather & share keep them the closest in your hearts. Sandy & family. We are so sorry to hear of your mother's passing. We loved it when she and Uncle Jim would come to visit. They were a fun couple, enjoying life as it came. It hurts to lose your mother, but her loving memory will live on in your hearts. Take comfort in knowing that she, Jim and Ed are all together looking after each other & making everyone laugh with that goofy Oge sense of humor. Our thoughts and prayers are with you during this difficult time. Bob & Martha Oge Posted by Martha & Bob Oge - DeKalb, IL - nephew June 23, 2014
