Although I had not seen Willie for over 35 years, due to moving away, I was saddened to learn of his passing. I did not know of Frankie's passing either until I read this obituary, and again, I was very saddened to learn of it. Frankie and I were in the same grade at Mystic Elementary School back in the 60's. Willie was a bit older than me, but we still associated together. I always liked them both very much. In fact, I always liked all of the Brown Family. I extend my deepest condolences to the family, and friends, on Willie's passing, and my deepest belated condolences also on Frankie's passing.
