Mondra has left her mark on many people and things in the years she was here on Earth. She was a kind, caring and loving friend as she always had a smile and would go the extra mile to help anyone. She was the type of person that I was glad to say I knew, went to school with, shared friendly conversations with and even took her advice on a few things. My heart goes out to her family and friends and she will be missed here on Earth, but she was welcomed into the Higher life with open arms. I remember attending the Centerville Church of God with Mondra when we were kids and teenagers. I remember many of Saturday nights spent at the church youth group. May God comfort you in your time of loss. In him, Elizabeth (Liz) Thomas Posted by Elizabeth Thomas - Sebring, FL - Friend from church November 02, 2011

I wish I knew how to say goodbye. We have been friends since the 7th grade. You made me laugh and you were always there to pray for me and with me when I needed it. I admired your courage and strength. I am forever changed for the better because you were my friend. I am thankful to know that I have another angel in heaven looking after me. I will miss you so much. I know this is not goodbye but just so long. I will be seeing you again my friend. My thoughts and prayers are with your family. Love you!
