Jack's father (Walter) was my uncle I believe. I worked with him at the box factory one summer around 1953. Jack, Buck and I (along with others of our age) used to play street tag a night with our cars. Running up and down alleys and streets of Moravia trying not to get hemmed in and therefore caught by the chaser. Got lots of flat tires on our cars in doing that. I went into military and stayed for 27 years. Stopped in Moravia several times but could never locate Jack or his brother Buck. I am saddened by his passing as I would have loved to have talked and caught up about his life. Maybe Buck will read this and contact me through E-mail and do it that way. We all loved to go swimming in a pond outside of town after work.. Posted by Edward Schwabe - Mt. Pleasant, SC - Cousin January 25, 2015

Jack was a great friend. I worked with him at Falvey Lumber for about 15years. We usually went to lunch together and drove around town and talked. He always had a good comment for anything you told him. I had to chauffer him around in old blue. He always said that he used to sing on the radio until he got too big and broke it. I have so many good memories of Jack and the stories he told. Jack said and did what he wanted to no matter what anyone thought. I always tell the guys here at Falvey about him and that I wish he would work a few days a week because this place needs some comic relief. He will be missed. Deepest sympathy to Linda, Kim and Brad in the loss of your Dad and a much loved Uncle in our family. Know that we all share in your grief. So many cherished memories. I still remember when he lived at home with Grandpa and Grandma Scott before he married Aunt Rose. He taught me a lot of things, like driving a tractor and usually always let me tag a long with him when I was little. He always had some jokes to share and I enjoyed listening to him play his guitar or banjo and sing. There used to be a well known country singer back in the day also named the same, and whenever we heard him singing on the radio, I would always say Mom, Dad Uncle Jack is singing on the radio. It took them awhile to convince me it wasn't My Uncle Jack. Posted by Pam Cyrene - Centerville, IA - Niece January 02, 2015
